

Summer School 2021 Description of Sectionals

Swimming Lessons (Grades 1-8) We have great fun in store for you in the pool this year! We will have lessons at the Bayfield Recreation Center with a licensed swim instructor, lifeguard, teacher, and helpers.

Art Camp (Grades 1-12) During Art Camp students will be creating original works of art to offer for sale at the Annual Cornucopia Art Crawl in September 2021. Students are encouraged to attend the Art Crawl in September following the Art Camp. Members of CAC will also be at the camp to assist students with their work. Students will have ample time, space, and materials to create their art. Watercolor techniques, clay and various other projects will be taught.

Drama Camp (Grades 4-12) This week-long class prepares students for stage acting and/or preparation. Practice a play all week, with the production of the play for the community taking place Friday.

Outdoor Learning School (Grades 1-7) Have fun while learning outdoors! During these two weeks, students will spend the majority of their day working on projects outdoors. They will choose exciting books to read, stories to write, and create nature-themed art, science and math projects. Students may enroll in one or both weeks.

Open Swimming (Grades 1-8) Apply learned swimming skills in the Bayfield pool. This is for students who have already gone through swimming lessons (either this year, or prior years, through South Shore or some other organization).

Golf (Grades 5-12) Learn how to play golf. Part of the time will be spent at the school with basic swings, putting, etc. and the rest of the time will be at the golf course.

Driver Education Classroom: (Grades 9/10 and up-depending upon situation-) - Classroom portion of driver education, which is one of the requirements for a student younger than 18 years of age, if they wish to get a Wisconsin driver's license.

Volleyball Skills Development (Grades 5-12)

Students will learn basic pass, set, serve and spike/block. Moving into setting up a play and targeting your serve. Games will be played to put the skills learned to the test.

Wednesday Evening Runs (Grades 9-12, June 1-July 31) Wednesday Evening runs with Coach Lahti or Coach Hoagland

Plein Air Painting (Grades 5-12)

Outdoor painting in the tradition of the past, with easels and paints in the great outdoors is the adventure that awaits students who sign up for this sectional! Students will be allowed to enter their paintings in the Plein Air art festival in Port Wing that is becoming an annual sensation. After a short lesson and warm up exercises, students will divide into small groups and paint with an artist outdoors. Students will learn observation skills and basic sketching and painting techniques

College Visits: (Grades 10-12) This session is offered to students entering 9th-12th grade who would like to visit different colleges to see the campus and learn about programs offered at each. Schools to visit may include UMD, UWS, WITC Ashland, WITC Superior, Lake Superior College, Gogebic Community College, UW Eau Claire and UW Stout. A schedule will be put together and students can sign up to attend all 4 days, or select specific days of choice. This will be a four-day schedule (M-Th).

Basketball Skills Development: (Grades 3-8) Develop your basketball skills and get ready to be an improved player.

This session is offered for any student entering grades 1-6 who wish to develop their individual basketball skills. Focus points will include ball-handling, passing, shooting form, and game decisions. Students will work on independent skills and will also have the opportunity to practice their skills in "game-like situations".

Girls' Basketball Skills: (Grades 7-12) This session is offered to girls who wish to develop their basketball skills, or experience the sport of basketball for the first time. Individual skills such as ball-handling, passing and shooting will be covered, as well as team offense and defense concepts.

Academic Skills Development: (Grades 1-7) Tutoring, skills development/recovery, credit recovery (grades 9-12) for students with a licensed teacher. Students can be referred for this program by parents or teachers.
